

Hockey Canada Foundation London Gala Legacy Fund

As a Minor Hockey Association within the London Area you are eligible to apply for the funding from the Hockey Canada Foundation London Gala Legacy Fund to assist in growing the game in your region.

The Hockey Canada Foundation London Gala Legacy Fund was established by the Hockey Canada Foundation London Gala Steering Committee following the 2018 Hockey Canada Foundation Gala and Golf held in London.

To grow the game at a local level, London's legacy from the 2018 Hockey Canada Foundation Gala and Golf will be provided to Hockey Canada programs that introduce children of all backgrounds and circumstances to the game.

Following a conference call with associations in the London Area, it was identified that there are a number of areas that this legacy would benefit the growth of the game including assisting families in economic hardship with registration fees, providing equipment to players in need, and supporting coaching development within centers.

The Hockey Canada Foundation London Gala Steering Committee will be meeting to make a decision on the direction of funding prior to August 31, with funding becoming available to successful applicants for September 1.

How to Apply for Funding

The Committee would ask that any Associations wishing to apply for this funding fill out the attached Hockey Canada Foundation London Gala Legacy Fund Application Form and send to Ali Wilson (awilson@ohf.on.ca) ATTN: Hockey Canada Foundation London Gala Steering Committee.
