## Thamesford & Area Minor Hockey Association

---

Feb 3, 2026

Thamesford & Area Minor Hockey Association (TAMHA) is mourning after a tragic accident involving one of our players. Dominic Cross lost his life in a motor vehicle accident on Saturday, January 31st. There are no words that can ease this kind of loss. Our thoughts, prayers and love are with Dominic's family, friends, teammates, and all those who knew him during this difficult time.

Dominic was part of TAMHA for 5 seasons and was loved by all his teammates. He was known as a team player who was always willing to help. Dominic was known to bring laughter wherever he went and lived life to the fullest. When Dominic was not at the rink he loved to fish and be outside.

There has been a GoFundMe page created to support Dominic's family during this challenging time. Please consider donating if you can by clicking the link below.

We appreciate all the love and support from people within the community and other organizations. Many neighbouring communities and hockey organizations have reached out to show their love and support during this challenging time and we are forever grateful. It is amazing to see the hockey community come together, regardless of what jersey you wear.

TAMHA will be honouring Dominic during his team's next home game, which is Thursday, February 5th at the Thamesford District Recreation Centre (8:30pm). Please come out and show support by wearing your Minor Hockey Jersey, regardless of the organization as we stand together during this difficult time.

A visitation will be held on Friday, February 6th, with a celebration of life to follow on Saturday, February 7th. For more information visit McBeath Dynes Funeral Home
